WingMan

-Build confidence – look good – be social

A Web/Mobile experience helping the socially awkward or an average male build, confidence in talking to woman. Making first interactions better.

WingMan.com focus is on helping males make better first interaction with woman.

WingMan will help you make that first step toward success. WingMan will offer pickup lines, ways to dress, proper body language and what to say at the right time. WingMan also wants user input on things as well. If something didn't work out for you let us know. If things did work out WingMan wants to know to.

WingMan wants users who want to be more social with the opposite sex. We want users who are looking or expanding their knowledge on woman. WingMan wants all of our users to build confidence. We want to users who will actually try and use our advice. User will have a very enjoyable experience on.

Our computation will be dating sites. But WingMan isn't a dating site, it an advice site. It's to help the average male get a step in the right direction.
